Obama for America

August 4, 2008

Dear Senator Obama,

As in previous presidential election years, our institute wants to remind the German American community of their duty as citizens to cast their vote.

Since the JFK administration we have, in subsequent election years, presented the issues of special interest to German Americans:

*Donating prime property to establish the German American Friendship Garden close to the Washington monument,
The fall of the Berlin Wall,
The Reunification of Germany,
The declaration calling "Ethnic Cleansing 1944-1950" a crime against humanity*

As you know every US President has given his support to these issues.

Currently, we are asking you for your position and support regarding **Human Rights for Germans World Wide.**

This is basically a continuation of the above mentioned declaration calling **"Ethnic Cleansing 1944-1950" a crime against humanity.**

We thank you for your interest and are looking forward to your much appreciated Statement.

Sincerely,

Marianne Bouvier, M. D.
